## Issues and Updates

As we continue to try and get back to normal, we need to stand with our small businesses during this time of government overreach. We need to support them and stand with other neighbors. Promoting small businesses is not political; it is the right thing to do.

The main issue that we need to address as a County party is what can we as PCPs do to help our candidates. In this newsletter we have included links about all of the candidates running across our County as well as for Statewide and Congressional District.

Please reach out to the campaigns, share their information with your friends and family. Share it with your social media groups and write letters in support of our candidates. We can only win if we work day and night and on weekends to share our conservative message and values.

## Special Session Recap

As PCPs and regular voters you saw what the news reported took place at the Capitol in Salem. But you did not have an opportunity to share your voice by being there in person to offer your opinion or ideas on how the State can improve relations between law enforcements and our communities, how to address the COVID-19 situation and most of all have input on the giant budget gap that the State faces.

Several legislators including Minority Leader Christine Drazan made videos to share the real story of the Special session. Here is a link to her video:

In the May Primary Tootie Smith defeated incumbent Chair Jim Bernard by almost 7 points. This will be Smith second term on the board after previously serving from 2013-2016. We look forward to Chair Smith taking the oath of office in January. We stand with her to make Clackamas County great place to have a business, raise a family and explore its beauty.

She wants to reduce the tax burden on our families, find a sustainable way to make sure our roads are paved and wants to make sure there is housing for all so people can enjoy their own property. Congrats again Chair Smith. For more information about Chair Smith's plans please visit

**Recall update on Governor Brown**

The Oregon Republican Party has launched a second effort into recalling Governor Kate Brown. They are up and running and have over 100 locations setup around the State to gather the necessary signatures. Marion County and Multnomah have hit the ground in collecting these signatures. There are locations out in Sandy to Gresham being available for people to sign. Here is the link to all of the information and updates on the recall effort. <http://stoptheabuse-recallkatebrown.org/>
