JUNE 1, 2018

Message from the Chair

We need everyone to help get involved if we are to make a difference in our State. Becoming a PCP is one step that will help you become more involved and help you become engaged in decisions that affect you and your family. For those who wish to become elected PCPs in your community, we ask that you write your name on a 3x5 note card and give to at least 10 of your friends and ask them to write your name on the ballot when they receive it. You only need 3 valid votes to be elected. WE NEED YOU. Remember a Red Oregon begins in Clackamas County.

By Traci Hensley

Clackamas County Republican Party Chair

Oregon City OR – Our 2018 Primary Elections are over. We now have an excellent slate of nominees that will represent the Republican Party well in November, from national, state to local offices.

I would like to congratulate and thank every candidate who stepped up, putting their personal and professional lives on hold, as they spent countless hours reaching out to the voters of Oregon. Whether or not they prevailed, each candidate gave of themselves, putting their personal lives on display for all to see.

It is time to stop the squabble. We must come together... WE MUST UNITE! These words from the bible describes it best, "And if a house be divided against itself, that house cannot stand", Mark 3:25. As a party, we must not be divided if we are to succeed in November.

Our goal as the Republican Party is to defeat Kate Brown by electing a Republican Governor in her place, and to take back control of the state senate and house. The only way this is accomplished is as a united Republican Party, undivided, all supporting our Republican Nominee. Our personal values may not align with this person, but we must set aside our differences to stand united.

I challenge each nominee who won in the Primary to offer an olive branch to their competitors. I challenge each competitor to accept that olive branch and publicly endorse and rally their supporters to likewise back our Republican Nominees. We must publicly come together.

Looking to gain experience and serve in a volunteer capacity. Please think about applying to serve on one of the many advisory boards and commissions that communicate directly with the Clackamas County Board of Commissioners. These groups are vital to providing insight and perspective to your local elected officials. This is great experience that will help guide our County.
