Message from the Chair

We need find people in our communities who wish to take their service to the next level and run for elected offices. We can only make change if we find people willing to serve to make the change. We need everything to talk to their friends, neighbors, churches, communities. We cannot do this alone. We cannot do this without your help.

Recall Petition Recap

According to Oregon Republican Party Chair Bill Currier, Republicans gathered over 258,000 signatures to recall Governor Brown. Unfortunately that effort was short of the 280,000 needed to force a recall election. Chair Currier was proud of all Oregonians for this effort and the party is exploring other options going forth to protect the rights of all Oregonians from government overreach and control.

Beliefs of the Clackamas County Republican Party

We BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

We BELIEVE the most effective, responsible and responsive government is government closest to the people.
