### Beliefs of the Clackamas County Republican Party

We BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

We BELIEVE the most effective, responsible and responsive government is government closest to the people.
