SEPTEMBER 1, 2020

## September Campaign

We are now in full campaign season. Although our methods might be a little different this year, we need to hit the ground running. Our candidates will need volunteers to make phone calls and put up signs. They will need people to walk and drop information off to the people.

They will need donations so that their message of less government, greater liberty and accountability can be seen by all Oregonians. We are working on updating the website to give you the most current information.

**A HUGE THANK YOU**

Thank you to all of the volunteers who have showed up to staff our office. Thank you for giving your time to help gather recall petition signatures. Thank you for selling the TRUMP/PENCE merchandise. Thank you for being there for our candidates when they dropped off materials and signs. We have heard how much our candidates appreciate our volunteers and from citizens thanking us. Thank you so much to Secretary Neace and others for organizing this effort. Being open truly makes a difference for our community to give them hope and encouragement.
