Beliefs of the Clackamas County Republican Party

We BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

We BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

We BELIEVE the most effective, responsible and responsive government is government closest to the people.

FINALLY, We believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.

REDISTRICTING UPDATE

House Republican Leader Christine Drazan (Dist. 39) was able to negotiate with the House Speaker to elevate Representative Shelly Boshart-Davis to Co-Chair of the House Redistricting Committee and to add Leader Drazan to the committee so the representation is 3 Republicans and 3 Democrats. This way we now have a seat at the table to have fair impartial maps drawn for the 2022 election. Thank you Leader Drazan for helping to level the playing field so all Oregonians voices can be heard as to how the legislative districts are drawn.
