Beliefs of the Clackamas County Republican Party

We BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

We BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

We BELIEVE the most effective, responsible and responsive government is government closest to the people.

FINALLY, We believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.

LEGISLATIVE UPDATE

Our Elected Republicans in the House and Senate have been fighting hard for us to end the Governor's Lockdown restrictions, to get our kids back to the classroom fulltime and to get our economy back open. We send our sincere thanks to you and our positive thoughts for the last 4 weeks of the session that the work of the people can get done by passing sustainable budgets, by really looking at the bills that will help Oregonians and not the powerful elite. We need you to fight for us so the State legislative Redistricting is fair for all to make sure elected officials represent everyone in their districts.
