January Update

Happy New Year to All. Welcome to 2022 Election Year. We have lots of work ahead of us but we are ready. We have volunteers ready to go; we have Officers willing to put in the hard work. We have candidates willing to step up and run for office. Now we need you to get engaged and involved in the process. Whether that is working for a candidate, helping in our Party office or just sharing our message with your neighbors. Every little bit helps us achieve.

Education Update

The Oregon Mom's Union continues to fight to make a difference to make sure our children get the education they need. For more information visit [Oregon Moms Union](#).

Beliefs of the Clackamas County Republican Party

We BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

We BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

We BELIEVE the most effective, responsible and responsive government is government closest to the people.

FINALLY, We believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.

COVID-19 Indoor Mask Mandate Update

A public hearing will be held virtually on January 20th. [Notice of Proposed Permanent Rulemaking](#)

To provide oral testimony a public hearing will be held by video/telephone conference call via Microsoft Teams on January 20, 2022 at 10:00 AM. Please contact publichealth.rules@dhsosha.state.or.us to receive the link for the Microsoft Teams video conference.

The proposed permanent rule, if enacted, would replace the current 180-day temporary rule with one of "indefinite" duration. The rule generally applies to all businesses in Oregon. The OHA is also proposing a civil penalty of \$500 per person per day for non-compliance with the rule. The rule change would grant the Oregon State Public Health Director or the Oregon State Health Officer "the authority to rescind and reinstate all or parts of the rule," according to the notice.

You may also file written comments before 5:00 p.m. on January 24, 2022 by sending them to the Public Health Division Rules Coordinator at the following address:
