August Update

Calling all Republicans, we need to get you engaged and involved. We can no longer sit on the sidelines. Our candidates need our assistance, support and help. Our Governor Nominee Christine Drazan needs us all so she can become the first Republican Governor in over 30 years.

Christine has the support of the Republican caucuses, Small town Mayors, County Commissioners and other local leaders. We as the PCPs of the County also need to stand up and share our voice in support of her. Only together can we win. Please join the party in support Christine Drazan for Governor.

Thank you

Governor Nominee

Christine Drazan - Fmr. State Representative District 39
and House Minority Leader

Beliefs of the Clackamas County Republican Party

We BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

We BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

We BELIEVE the most effective, responsible and responsive government is government closest to the people.

FINALLY, We believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.

Precinct Committee Person Update

The Party appreciated all the new PCPs that came to their first meeting in July. We are a passionate group of individuals. Our goal is to elect Republicans in our County and State, because without candidates or elected officials, there is no party. We will be appointed new PCPs at our September 17th Central Committee. If you are interested in becoming a PCP to help support us, please contact our office at 503-303-7312. Thank you for all you do.

Sign Locations for Candidates

We have seen a lot of our candidates signs go up around the County. If you have good locations please contact our office so we can note them for the general election as well. Thank you.

How to get involved with Clackamas County

We would like to encourage all of our residents to get involved with the County by serving on an Advisory Board or Commission. These boards are vital to providing insight and perspective about how to improve our County. Visit this link for more information on how to apply. Clackamas County
