

# Resolution Declaring June “Harrison Butker Month”

In June 2000, President Bill Clinton officially designated June as “Gay and Lesbian Pride Month”, and in 2009 President Barack Obama expanded June’s designation as “Lesbian, Gay, Bisexual and Transgender Pride Month”.

While the Democratic party, Liberal and Progressive America has embraced June with numerous events, pushing the LGBTQ+ agenda forward, Conservative America lacks a countervailing slogan to champion the traditional values of God, Family and Country.

Therefore, the **America First, Clackamas County Republican Party** steps boldly forward in this first declaration, designating June as “**Harrison Butker Month.**”

**Harrison Butker**, kicker and two-time Super Bowl winner for the **Kansas City Chiefs**, has recently become a national figure for traditional values of Masculine Men, Feminine Women, the Nuclear Family, and a God centered life.

As a commencement speaker for the 2024 graduating class of **Benedictine College**, **Harrison Butker** has incurred the wrath of Democrats, Progressives, and the like by speaking about how bad policies and poor leadership have negatively impacted major life issues, such as abortion, IVF, surrogacy, and euthanasia, while supporting degenerate cultural values highlighted through the media.

**Harrison Butker** noted that our own nation is led by a man who publicly and proudly proclaims his Catholic faith, yet at the same time is delusional enough to make the Sign of the Cross during a pro-abortion rally.

But the statement by **Harrison Butker** that has triggered the most recrimination is:

*How many of you are sitting here now about to cross this stage and are thinking about all the promotions and titles you are going to get in your career? Some of you may go on to lead successful careers in the world, but I would venture to guess that the majority of you are most excited about your marriage and the children you will bring into this world. I can tell you that my beautiful wife, Isabelle, would be the first to say that her life truly started when she began living her vocation as a wife and as a mother. I'm on the stage today and able to be the man I am because I have a wife who leans into her vocation.*

This statement has caused the call for Harrison’s firing from the **Kansas City Chiefs**, the doxing of his family and the NFL to distance themselves from Harrison’s common core family values.

Therefore, as a party that embraces the same values that have guided the life of **Harrison Butker**, we not only stand behind Harrison and support him wholeheartedly, but we hereby declare **June as Harrison Butker Month for the Republican Party of Clackamas County Oregon.**

For boldly extoling the virtues of America’s Traditional values and highlighting the roles given to God’s creation by our Creator, we salute **Harrison Butker** and wife **Isabella Butker** as **America First Icons** and invite them to **Clackamas County** to celebrate **June as Harrison Butker Month!**

Resolution put forth on this day, May 29, 2024, by the **Clackamas County Republican Party Executive Committee.**

**Rick Riley, Chair**
