

# COVID-19 Vaccine Ban Resolution

*Whereas* strong and credible evidence exists that Covid 19 and Covid 19 injections are biological and technological weapons under 18 USC 175, 18 USC 229 and related state and international laws;

*Whereas* Pfizer's early clinical data revealed 1,223 deaths, 42,000 adverse cases, 158,000 adverse incidents, and approximately 1,000 side effects;

*Whereas* an enormous number of humans have died or have been permanently disabled;

*Whereas* strong and credible evidence exists that Covid mRNA shots alter human DNA;

*Whereas* government agencies, media and tech companies, and other corporations, have committed enormous fraud by claiming Covid injections are safe and effective;

*Whereas* a Florida statewide grand jury is investigating Covid vaccine crimes;

*Whereas* continued experimentation on humans and denial of informed consent are violations of the Nuremberg Code and therefore constitute crimes against humanity;

*Be it Resolved:*

On behalf of the preservation of the human race, the Oregon Republican Party of Clackamas calls upon Clackamas County to prohibit the sale and distribution of Covid injections and all mRNA injections in Clackamas County, and for the Clackamas County Sheriff to immediately seize all Covid injections and mRNA injections in Clackamas County under 18 USC 175 and related state laws, and have a forensic analysis conducted.

Approved by Clackamas County Republican Party May 20, 2023.

  
\_\_\_\_\_  
Rick Riley, Chair  
Clackamas County Republican Party
